# DEDICATION

The Class of 1977 and the ORBIT staff would like to dedicate this year book to you, Dr. Irion, as a token of our appreciation for the many things you've done for our school since you joined us in 1973.

Since we all started the year off TOGETHER in 1973, we've seen many changes TOGETHER, from the building of the new addition to the changing of our sports leagues.

From the beginning, you've been a staunch supporter of QHS, attending games and cheering on our athletes, officiating at special ceremonies and acting in the Faculty Associations' plays to help raise money for scholarships.

We appreciate all the help and encouragement you've given us and hope that after we've graduated you'll remember us as fondly as we'll remember you.

Orbit Staff  
Class of '77

## SPECIAL THANKS TO . . .

Mrs. Kathryn Fowler, we would like to thank you for being our advisor for ORBIT. It's been confusing, but you've done a beautiful job. You've allowed us to use our new ideas and all of us have grown together through learning from each other. We will always remember you, thank you.

Mrs. Anne White, thank you for being our advisor to ORBIT in past years, and helping us to get organized this year. You've been of great assistance to us all. Thank you for all your time and effort.

Mrs. Angela Bryant, thank you for taking over the Business section of the ORBIT. It's a job most people don't give much thought to, but those on staff realize how essential it is. Without it, we would not have a yearbook.

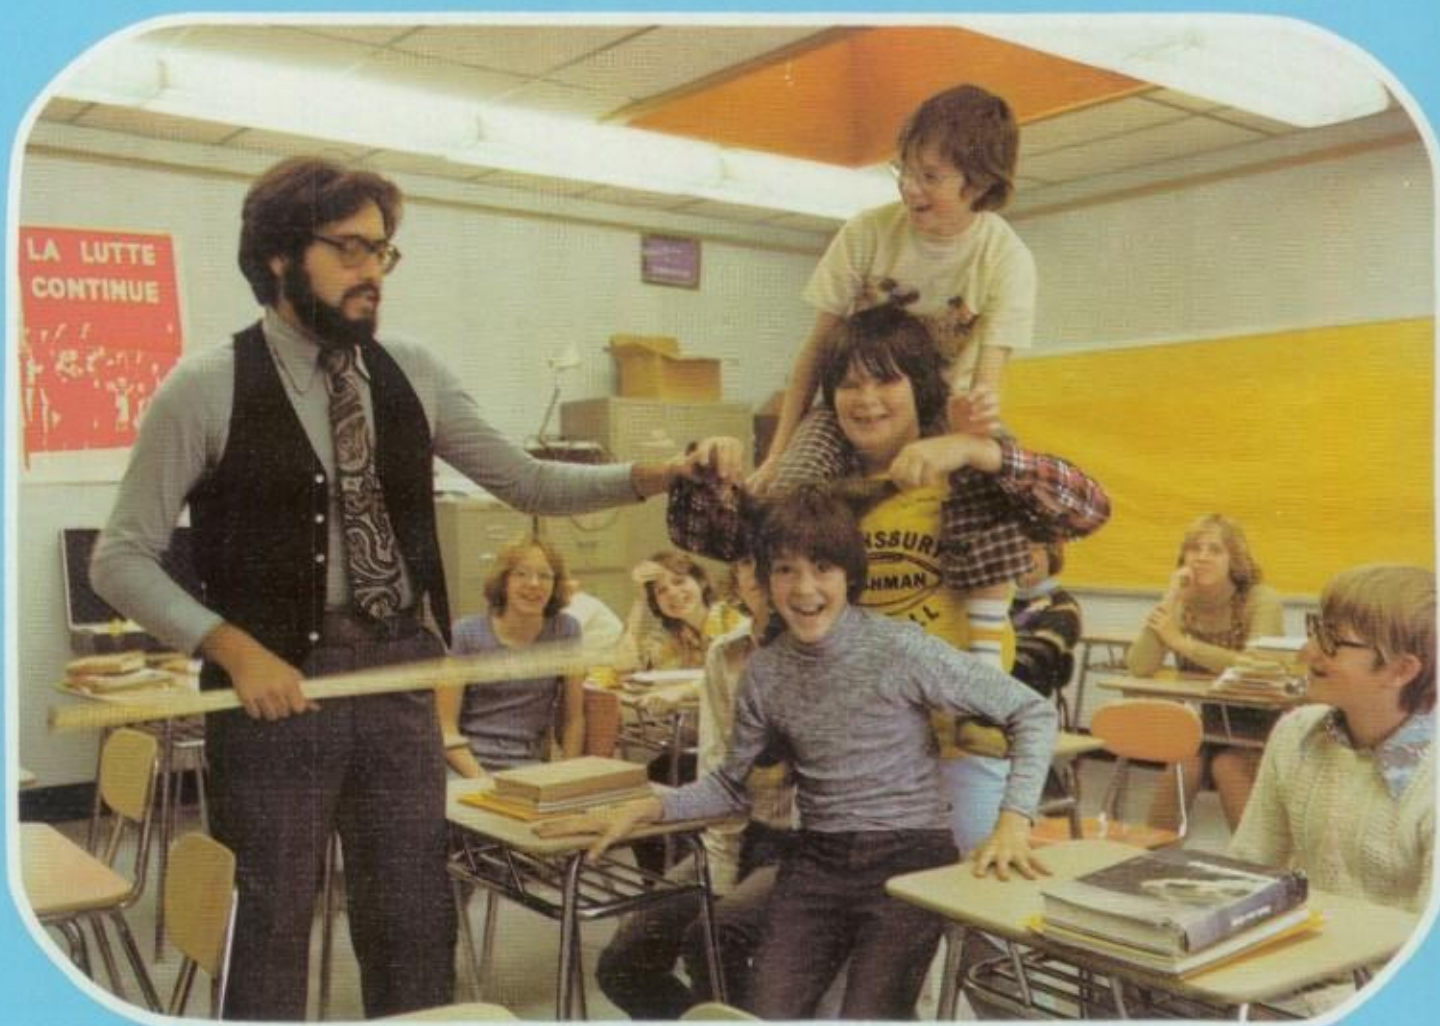

Mrs. MaryJane Herlihy, thank you for being our Business advisor during the past two years. Thank you for all your patience with our summer Ad campaign and your help in changing over. We appreciate all you've done for us.

Neath the Adirondack foothills,  
Graceful, green, and tall,  
Stands our noble Alma Mater  
May she never fall.

Like a burning torch or emblem  
Does her honor glow,  
Lead us onward through the years  
Guide the path we go

We're the fighters for her glory,  
We must make her great.  
For us, she holds the key,  
For us, our fate.

Proudly waves our glorious banner,  
Long will it fly.  
Hail to thee, dear gold and blue,  
Hail to Queensbury High.

# MEMORIAL

When we think of Mr. Wadach we will remember a very kind and generous man. He was a dedicated teacher and compassionate human being who was always there to lend a helping hand to anyone in need. His sense of humor made him a unique person to everyone that knew him, and it often helped us to learn valuable lessons without actually realizing it.

Mr. Wadach was an inspiration to us all and even though he is no longer with us, his memory will live on in our hearts forever.

I loved my friend.  
He went away from me.  
There's nothing more to say.  
The poem ends  
Soft as it began-  
I loved my friend.  
--Langston Hughes

John Henderson was an athlete, an outdoorsman and a friend. He enjoyed being with the guys-fishing, playing basketball or just walking alone through the woods. He enjoyed being with groups of people and was always there when you needed someone to talk to. He will long be remembered by his many friends and fellow students.
